

PILOT SERVICE AGREEMENT

Google Ads management, 60-day pilot

Between Monarc Build LLC ("Monarc") and _____ ("Client"). Effective on the date of the last signature below.

1. Scope

Monarc will:

- Rebuild the Google Ads campaigns around high-intent keywords
- Cut the lead form to 3 fields and place it above the fold on the landing page
- Match landing page copy to the target searches
- Tag every form fill and booking with the keyword and campaign it came from
- Diagnose impression share and report whether budget or ad rank is the limit
- Send a monthly report: spend, leads by source, cost per lead

2. Pilot term

60 days, starting the day Client completes the access in Section 6. The pilot is a fixed commitment. Neither party may cancel it early.

3. Pilot fees

- Management fee: \$2,000 per month
- Ad spend: \$2,000 per month, paid by Client directly to Google
- Monarc match: \$1,000 per month, applied as a credit against the management fee for both pilot months
- Client pays \$1,000 per month to Monarc and \$2,000 per month to Google. Total: \$3,000 per month, \$6,000 for the pilot

4. After the pilot

The agreement continues month to month at \$2,500 per month management plus a \$2,000 per month minimum ad spend paid by Client to Google. Either party may cancel with 30 days written notice.

5. Onboarding fee

\$3,000. Waived if Client signs on or before September 30, 2026.

6. Access

Within 5 business days of signing, Client gives Monarc admin access to Google Ads, Google Analytics, the website and hosting, and the CRM or lead inbox. The pilot clock starts when access is complete.

7. Client responsibilities

- Respond to every lead within one business day
- Approve copy and landing pages within 2 business days of receipt
- Attend one 15-minute check-in per week
- Keep a valid payment method on the Google Ads account

8. Payment

Monarc invoices the management fee on the first day of each month, due within 7 days. Work pauses if payment is more than 10 days late. Google bills ad spend to Client directly.

9. Ownership

Client owns the Google Ads account, the ad data, the lead data, and the landing pages once all fees are paid. Monarc keeps its templates, process, and tooling.

10. No guarantee

Lead volume and closed jobs depend on the market and on Client's follow-up. Monarc does not guarantee either.

11. Confidentiality

Each party keeps the other's business information private during and after this agreement.

12. Governing law

This agreement is governed by the laws of the State of Maryland.
